

# Dermatology Associates of Georgia Insurance List

*Thank you for choosing Dermatology Associates of Georgia. Our board certified Physicians, PA's, Aestheticians, and dedicated support staff are here to serve you in five convenient locations: Decatur, Dekalb Med. Center, Piedmont, Johns Creek and Monroe.*

Please review your health insurance plan and contact your plan if you are unsure of your coverage or have any concerns about services they cover. If your plan has a co-pay, you are required to pay this at your appointment.

We do our best to provide details or coverage estimates when possible, but unfortunately only your insurance plan can determine your actual coverage because of your deductible coverage and plan specifics.

**\*\* Please note: your health insurance plan may require a referral from your Primary Care Physician (PCP) BEFORE your dermatology appointment. \*\***
