## IMPORTANT INFORMATION

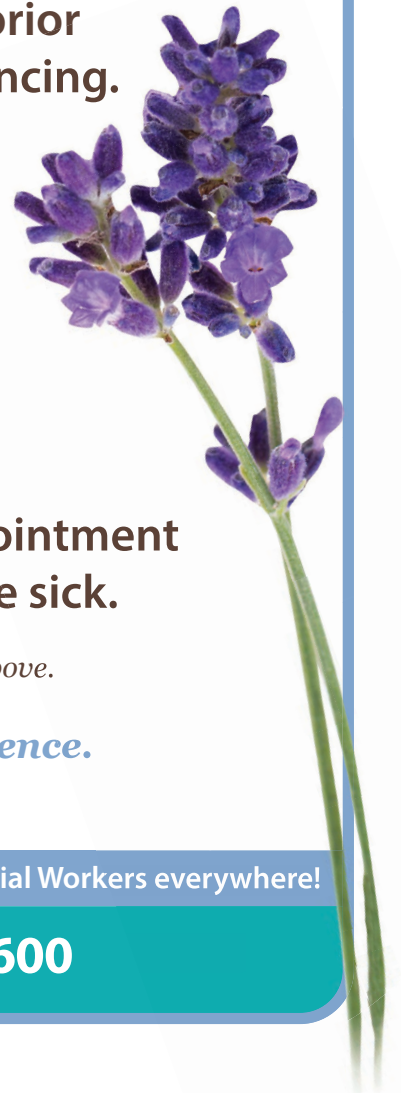

About Your Appointment With Us Today

Because we care about you, please note:

- In office appointments require every patient to wear a mask; or some type of face covering over their mouth and nose, such as a scarf.
- We have modified appointment schedules and we are practicing social distancing with all patients and staff.
- You may need to wait in your car or outside prior to your appointment to allow for social distancing.
- We will need to take your temperature upon arrival.
- We need you to come alone on your appointment with no guests.
- Most importantly, do NOT come to your appointment if you have a fever, a cough, runny nose or are sick.

*\* Necessary Caregivers assisting Patients will also need to follow the above.*

*We are here for you and thank you for your patience.  
Please stay safe and well!*

We are especially thankful and appreciative of all Healthcare Heroes and Essential Workers everywhere!
